Our Mission and Vision

Mission Statement

The mission of the Caring Hearts of Peculiar, Inc. is to operate in compliance with the IRS Code for a 501(c)(3) Non-Profit Corporation., providing financial support for various health, education and welfare needs within the Community.

This support shall be given through other established 501(c)(3) organizations that provide these services in Peculiar, Missouri and Cass County, Missouri.

Donor Agency Information

The Caring Hearts of Peculiar hopes to provide several levels of funding for various social welfare agencies or organizations in Peculiar and Cass County. Agencies are designated based on their level of client impact within the funding area, monetary need, organizational mission, impact history, and location within the county and city of Peculiar. Groups who feel they fall within the scope of the stated Mission of this organization should contact a member for consideration as a donor agency.
